

**ARIZONA DEMOCRATIC PARTY
BYLAW SUBMISSIONS
Arizona State Committee Meeting September 23, 2017**

**BYLAW FOR TIMELY AND ACCURATE SUBMISSION OF STATE COMMITTEE,
EXECUTIVE BOARD AND EXECUTIVE COMMITTEE MEETINGS**

Purpose to be achieved and reasons supporting the change (ADP Bylaws Article XII, Section 2 B)

Waiting months for minutes to be emailed out when no one remembers what was said or done is a recipe for confusion and a sure way for statements to be forgotten and commitments and promises to fall through the cracks. And with cell phones able to provide digital audio recordings, it is time the ADP stepped into this century and record meetings for accuracy and convenience.

ARTICLE III. STATE COMMITTEE OFFICERS, SECTION 3, E, DUTIES OF OFFICERS

Replace "(2) *digitally record meeting minutes for accuracy* and provide written or electronic copies of minutes to the members of the respective committee or board and to all county chairs ~~in a timely manner~~ *within three weeks of the meeting date.*
