By Laws

Article 3, STATE COMMITTEE OFFICERS

Section 3. DUTIES OF OFFICERS. In addition to their duties as State Committeepersons, the duties of the State Committee Officers shall be as follows:

A. State Chair.

1. The duties of the State Chair shall be to (a) direct the affairs of the ADP and be the spokesperson for the ADP; (b) preside over all meetings of the State Committee, the Executive Committee, the Executive Board and ADP Conventions or meetings as may be held; (c) submit a proposal for approval for an annual budget to the Executive Committee; (d) after consultation with the Executive Board, assign appropriate duties to all Vice-Chairpersons; (e) after consultation with the Executive Board, appoint such Committees as required by these bylaws or deemed necessary by the Chair to carry out the programs and policies of the ADP; (f) direct the central office of the ADP and other offices that it may establish; (g) appoint State Committee Staff pursuant to Subsection (2) of this Section A; and (h) perform other duties as set forth in these bylaws.

2. The State Chair shall also have the duty to appoint state committee staff, as follows:

(a) The State Chair shall, after consultation with the Executive Board, appoint such staff, including counsel, as may be helpful to carry on the duties of the ADP. No such appointment shall extend beyond the term of the chair. ~~Staff shall serve at the pleasure of the chair.~~

(b) The State Chair shall, after consultation with and agreement of a majority of the Statutory Officers and the First and Senior Vice Chairs of the Executive Board, including the Chair, terminate such full-time staff, as may be necessary to carry on the duties of the ADP. This shall not apply to employees hired only for the purpose of working on specific campaigns.

~~(b)~~

(c) The State Chair shall consult with regional and local officers in local staffing decisions. Specifically, the State Chair shall consult with County Chairs about the staffing and job descriptions of campaign workers based in their counties.

Purpose:

In order to establish to the Executive Committee that there is a valid reason for the termination of a full-time state committee employee, the State Chair shall consult the Statutory Executive Board members (Secretary and Treasurer), and the First and Senior Vice Chairs of the Executive Board. The Chair shall have the agreement of a majority of these Executive Board members, including his or her own vote, before terminating said employee. Clearly indicating cause for termination and the concurrence of key officials also could be a factor in preventing a lawsuit.
